Jolly Jingle Joyride

When two of our most beloved seasonal favorites join forces, the result is a whimsical *Jolly Jingle Joyride*! This adaptation for the modern band combines *Jingle Bells* and *Up on the Housetop*, offering a truly engaging listening experience. The primary melodies alternate throughout and are shared by all sections of the band, while various percussion instruments bring an array of sounds and colors. Oh... and you'll like our little surprise ending!

Rehearsal Suggestions

As every section will share in the melodic content at given times, each section must project (play stronger) when playing the melody and support (play softer) when not. Flams are optional for snare drum and while the chime part is optional, it gives a very nice holiday flavor to the music. Be sure to shout at the end to add to the fun!
